Cognate Approval Request Form

Materials Science and Engineering

All students must take two courses (cognates) outside the MSE department. These cognate courses (each of two hours minimum) must be in a technical area, and are usually satisfied at the graduate level (400 level courses can also satisfy cognate requirements). A list of approved cognates can be found here: http://www.mse.engin.umich.edu/graduate/curriculum Courses denoted with an asterisk on this list have already been approved as cognates. Please use this form if the course is not on this list or not denoted with an asterisk. Please also attach a syllabus for each course requested.

Student Name ____________________________________________

(please print)

__________________________  Credit hours: _______  Term: ________________

Cognate #1 - Course #: ____________________________

Pre-Requisites: ____________________________

Course Description: (please attach a syllabus)
